Databases: MySQL, PostgreSQL.

Tools: Strapi, Figma, Git, Excel.

Cloud: AWS Cloud, Git, CI/CD Pipelines.

Api: Rest Api, GraphQL, Apigee, Kafka, Integration hub.

Languages: Spanish (Native), English (B2)

PROFESSIONAL EXPERIENCE

Rootstack – Panama City, Panama

Junior Full-Stack Engineer

Oct 2025 – Present

- Creation of the Dashboard module with KPI calculations: average scoring, occupied positions, and requests by status.
- Backend module development in Spring Boot for high-impact systems, KPI dashboards, and dynamic form engines.
- Implementation of repositories, entities, services, and controllers following clean architecture principles with complex business rules. Development of secure endpoints with role-based validation.
- Integration and refactoring of the new package into the existing architecture, enabling bean auto-discovery, granular security, and full compatibility with the ecosystem's current services.
- Technical documentation of changes, creation of merge requests, collaborative work in GitLab environments, and support for functional testing and debugging in restricted environments.

SimplyCodia – Panamá City, Panama

FullStack Developer

Nov 2022 – Ago 2025

- Developed a RESTful API using Node js, Express & Spring Boot for efficient data management and web service integration.
- Designed and documented endpoints for external API consumption by clients and front-end teams.
- Collaborated in agile environments to ensure continuous delivery and quality assurance through functional testing. Worked on API management and data flow optimization with Apigee and Kafka for transaction processing.

Impromi S.A – Panama City, Panama

Translator & Mechanical Assistant

Sep 2023 – Nov 2023

- Provided translation services to facilitate communication between staff and international clients.
- Coordinated logistical and administrative tasks for daily operations.
- Supported mechanical troubleshooting to ensure workflow continuity.

SOFT SKILLS

- Conflict Resolution
- Organization & Planning
- Adaptability & Continuous Learning
- Team Collaboration
- Public Speaking
